Pllaš vodnika

Izolacija

Vodnik

2-3 mm

The diagram shows a cross-section of a cable with three conductors. The top conductor has a black outer jacket, a black insulation layer, and a copper core. The middle conductor has a green outer jacket, a yellow-green insulation layer, and a copper core. The bottom conductor has a blue outer jacket, a blue insulation layer, and a copper core. A grey sleeve is shown on the left side of the conductors. The text '2-3 mm' is written in large orange letters at the bottom, indicating the diameter of the conductors. Labels 'Pllaš vodnika', 'Izolacija', and 'Vodnik' point to the respective parts of the top conductor.
