

Roadmap on Carcinogens

Where are we today?

Dr. Romy Marx

INDEX

- 01 Roadmap on Carcinogens -
First phase**
- 02 Roadmap on Carcinogens -
Second phase**
- 03 Roadmap on Carcinogens -
Looking ahead**

01 Roadmap on Carcinogens - First phase

- since 2016, initiated by the Dutch EU-Council Presidency
- a JOINT VOLUNTARY ACTION scheme with 6 partners (AT, BusinessEurope, ETUC, EU-COM, EU-OSHA, NL) until 2019 in Finland
- with the goals of RAISING AWARENESS and PROVIDING HELP
- delivered 1st set of FACTSHEETS, > 100 SOLUTIONS, WEBSITE as communication tool
- dangerous substance campaign 2018-2019, LIMIT VALUES

02 Roadmap on Carcinogens - Second phase

- a **REFRESHED** and ambitious strategy from 2020 in Germany to 2024 in Belgium
- **NEW PARTNERS** (BE, DE, ECHA, ES, FR, SI, PT)
- additional goals with **MOBILISING STAKEHOLDERS** and **TARGETING INNOVATION**
- scalable projects (‘**CHALLENGES**’)
- additional solutions and Factsheets

Pillar 1:
Creating
awareness

Pillar 2:
Providing
help

Pillar 3:
Mobilising
stakeholders

Pillar 4:
Targeting
innovation

03 Roadmap on Carcinogens - Looking ahead

- making sure that the results from RoC and RoC2.0 are **COMMUNICATED** to all workplaces in the EU (+)
- focusing mainly on **IMPLEMENTATION** instead of producing more content and tools
- activities include for example **COMPLETING THREE BATCHES** of Factsheets
- New partners (Ireland, STAMI (NO))
- **FINAL CONFERENCE** in Berlin 2027

THANK YOU for your attention!
